

CLASE DE ESPANOL

Ms. Claudia is ready to teach Spanish for the 5th year at Hilltop Montessori School. I'm amazed of how the children learn so much at this age. We had a wonderful class last year, the children learned their color's, fruit, veggies, animals, manners, and lot's more. Learning a second language will expand their minds.

If you have any question's please ask for Ms. Claudia Mandujano.
